

SPONSOR NAME

INDOOR TOURNAMENT

We invite you to partner with FC Wisconsin to become our boys indoor tournament's Presenting Sponsor. For five years running, our tournament has attracted the best competition from the Midwest – there is even a wait list to get in! More than 4,500 fans descend on the Midwest Orthopedic Sports Complex in Brookfield, Wisconsin to watch 83 teams and 1,245 athletes compete.

In celebration of our sixth year, we want to share our success by offering you the opportunity to become our tournament's Presenting Sponsor. All proceeds from the tournament held **March 1-3** will be directed to operational costs for our boys' soccer program. Due to continued growth, we want to hire additional coaches. We pride ourselves on having multiple coaches at every age level. In fact, FC Wisconsin boys' program has more than 30 highly qualified, licensed coaches.

FC Wisconsin is the state's premiere soccer club featuring 500 boys and 200 girls' players ranging in age from 6-19. Teams compete with great success earning championships on the local, state, and the national levels. FC Wisconsin leads the state in providing a pathway for players to play at the collegiate level.

Invest in FC Wisconsin
